

Scotchmate™ Thin Reclosable Fastener

Now when you need only a few closures...pay only for what you need

For two decades, 3M™ Scotchmate™ Reclosable Fasteners have been specified in applications requiring thousands of easy openings and closings. Now, Scotchmate Thin Reclosable Fastener is the latest advance – a cost-saving option for applications needing a limited number of easy openings/closings.

Application ideas include the following:

Mounting graphics in trade show booths, displays, and P.O.P.; attaching foam

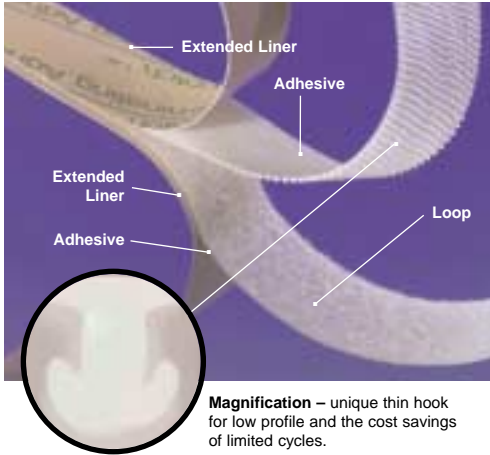

cushions in helmets; comfortably thin closures for disposable medical garments; hanging posters and calendars in office modules; sealing flaps and pockets in holder folders and sales presentation materials.

Key Features and Benefits

- The thin intermeshing loop and hook are shorter for a lower profile than the original Scotchmate Reclosable Fasteners.

- Unique thin hook can fasten directly to fabrics, carpet, and looped exhibit surfaces without using a loop tape fastener.
- Liner extends beyond the fastener edges for easy removal.
- 3M™ High Strength Acrylic Adhesive 300 MP backing bonds to many substrates including most plastics and foams, fabric, and metal.

3M™ Scotchmate™ Thin Reclosable Fastener

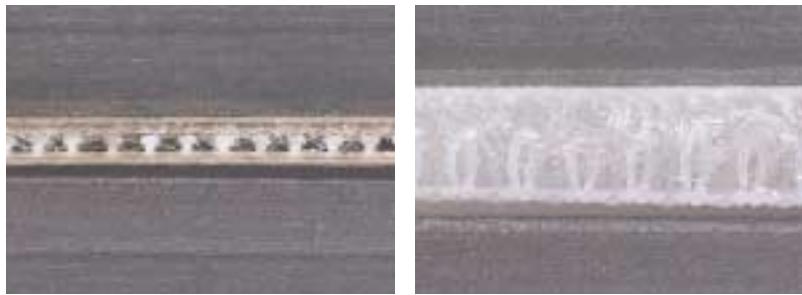

Technical Information	
Adhesive Construction	Acrylic Adhesive 300 MP
Temp. Resistance-Continuous Load	-20°F (-29°C) up to 158°F (70°C)
Cycle Life	25 opening/closings
Engaged Thickness (without liner)	0.040" (1.02mmm)
Available Sizes	0.75", 1", or 2" wide x 25 or 50 yd. rolls 6" wide x 100 yd. rolls
Shelf Life	2 years (from date of manufacture when stored in original package at 72°F, 50% R.H.)

Note: This technical information and data should be considered representative or typical only and should not be used for specification purposes.

Fasten and unfasten with...

- Cost effective attachment with a high value to low price ratio.
- Thin low profile.
- No holes in surfaces.
- Existing loops (unique hook fastens directly to fabric and carpet).
- Versatile pressure sensitive adhesive backing that bonds to many surfaces including fabric, acrylic, polypropylene, polyethylene, and more.

Low profile applications –

In a side by side comparison (shown here with equal magnification), 3M Scotchmate™ Thin Reclosable Fastener (left) is approximately one fourth the thickness of Scotchmate Reclosable Fastener SJ3526/27 (right).
